SUMMARY

Originally from Vanuatu, I hold a degree in Software Engineering from the University of the South Pacific in Fiji. With a strong foundation in technical skills and a passion for problem-solving, I am eager to take on new challenges and opportunities for growth. I am also keen on exploring diverse experiences that contribute to both my professional and personal development.

TECHNICAL SKILLS

Programming Languages:
C++, Java, PHP, SQL, HTML/CSS, React Js

Skills:
Web and Mobile Development, Version Control, Testing and Debugging

Additional Skills:
Basic Network Design (Packet Tracer), Data Mining (Weka), MERN Stack (In learning process)

KEY PROJECTS

Dynamic Android Mobile Application | CS218 - Mobile App Development   **Aug 2021 - Nov 2021**

- Designed and developed a basic Android app for managing book lists (add, edit, delete) using Android Studio.

Car Insurance Management System Project | C415 - Advanced Software Engineering   **Mar 2023 - June 2023**

- Contributed in developing the system using Laravel and Agile Methodology.
- Actively contributed to designing and implementing key features, such as policy management and claims processing.
- Collaborated via GitHub and Trello, implemented testing, and documented the project with a user manual.

Telecom Fiji Limited (TFL)
NOC Ticketing System Project with Jenkins Setup for CI/CD | CS400 - Industrial Experience Project   **Aug 2024- Nov 2024**

- Contributed in developing the system using SvelteKit (Frontend) and PocketBase (Backend).
- Planned the project using Excel sheet and to track tasks and milestones
- Assisted in setting up Jenkins CI/CD pipelines and integrated Docker for deployment.
- Collaborated via GitHub to manage code and streamline development.
- Assisted with UI/UX wireframe design and actively participated in team discussions to refine project requirements.
- Assisted in Documenting project details and collaborated with the team to deliver the project within deadlines.

EDUCATION

Bachelors of Software Engineering (BSE)
University of the South Pacific, Fiji | 2024

Technological Baccalaureate Diploma
Lycee Jean-Marie Gustave Le Clezio, Vanuatu | 2014

PROFESSIONAL ACADEMIC EXPERIENCE

Treasurer | Japanese Pacific Alumni Association   **Jan 2024 - Nov 2024**
